

## How to Buy at eHotBid?

eHotBid is a market place for lots of gem and jewelry dealers, remember your buying from direct dealers, not from eHotBid.

In order to buy or to bid first get your self registered at eHotBid, Registration is free ([click here to Register](#))

Once your registered, a email will be sent to your email you specified at the time of registration, you need to confirm the email, we just want to make sure you had enter your correct email address.

Once your resisted and confirmed the email, your done you can start buying at eHotBid

Select the product you like from category and just click on the Buy it Now button or Bid button

If you had bought on Buy it Now a email will be sent to you ,

If your buying more than one item inform the seller that your buying more than one item.

After you had purchased the multiple items,

Write to seller directly that your ready to make payment for your purchase.

Seller will send you the invoice from eHotBid system you will get a copy of the invoice on your registered mail also,

Click on the pay now button on the invoice which you received by email, you will be taken to **My eHotBid** section at eHotBid.com Site enter your user name and password, you will see all the paid and unpaid invoice click on the pay pal link you will be taken to pay pal, Once pay pal section is done

automatically the seller invoice is marked as paid on your My Auction and on Seller My auction.

Most of the sellers at eHotBid is very prompt is shipping, once they ship the items

and tracking information is entered at eHotBid your automatically notified by eHotBid system and your My auction section is updated with shipping information.

I hope this is very clear, Feel free to write to [support@ehotbid.com](mailto:support@ehotbid.com) if you need any further assistance.

Thanks!

eHotBid.com Team!
